Lulu.com, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Buying and selling domain names can be an exceptionally lucrative venture to get into. While the marketplaces where domain sales are most lucrative will change from that of website flipping, the game remains the same with your focus being on locating and purchasing low cost domains and flipping them for a higher price. One of the great aspects of domain flipping is that the efforts required are minimal. All you need to do is find memorable, appealing domain names in niche markets and sell them to buyers, eager to create their own website on this domain. Furthermore, the risks are quite low as are the investment costs, and once you have set up your system so that you are generating daily profits, it will require no more than one hour a day to keep the cash flow going. It's not a difficult business to get into, if you follow my simple guide to buying and selling domain names. Get Started Today. Get Your Copy Now!.
